Dear Parent/Carer

December 2018

Magic Breakfast

Beacon Primary Academy has been successful in their bid to join the Government's National School Breakfast Programme (NSPB) which is being delivered by the charities, Family Action and Magic Breakfast. It will run for four full terms until July 2020.

From Monday 7th January, every child will be offered a piece of healthy nutritious bagel to eat within their classroom environment during morning registration. This is a fully funded initiative and is being offered to every child who attends Beacon Primary Academy. We are aware that some children are allergic to certain ingredients contained in the bagels, however, we will ensure that these children do not miss out on this opportunity. If you require further clarification, please do not hesitate to speak to Mrs Crow in the office.

Our Breakfast Club which takes place from 7:45 am until 8:40 am will continue as normal for those families who require the extended childcare element this club offers. The price will remain the same at £1.50 per child. The children who attend this club will also be given a piece of bagel during registration.

The focus of this initiative is to keep children 'fuelled' until lunchtime to help sustain their concentration and energy levels which will, in turn, have a positive impact on their learning.

We hope you will support us with this programme and we look forward to welcoming your child/children to join us for a great start to the day.

Yours sincerely

C Wright
