

ENGLISH

We will be continuing our Curious Quests and helping the Faithful Friends on their missions by ensuring our sentences

- start with capital letters
- include finger spaces between each word
- End with the correct punctuation (. ! ?)

We will be extending our writing using 'and' and begin to write simple stories.

We will be using Traditional tales to support our reading and writing this term.

MATHS

We will be learning

- Addition and subtraction within 20.
- About length and height, and measuring using standard and non-standard units.
- About mass and volume.

We will also consolidate our knowledge of numbers to 50, form numbers the correct way around as well as learning to read and spell numbers as words. .

SCIENCE

We will be learning about everyday materials. We will be learning to

- Identify and name different materials.
- Tell the difference between the object and the material it is made from.
- Describe and identify properties of everyday materials .
- Observe, test and suggest answers to questions about everyday materials.
- Sort object by their properties.

HISTORY

We will be learning about Florence Nightingale and Mary Seacole.

We will be learning about why they are remembered today and what they did in their lives, who they helped and how we should remember them.

Year 1- Spring 2

PSHE

Growing in our world.

We will be learning to understand how to care for others and the human life-cycle. We will also be looking at how all families are special and unique.

COMPUTING

We will continue to use the laptops to improve our mouse and keyboards skills as well as learning how to program and de-bug a simple robot.

MUSIC

We will be learning sequencing sounds, looking at speed (tempo) pitch and volume. We will be using percussions instruments and listening to orchestral music.

RE

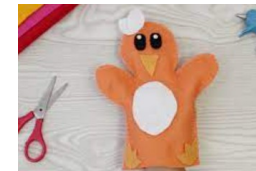

This term we will continue to learn about Islam. We will be learning about how Muslims worship and the objects associated with this as well as looking at festivals and celebrations within Islam.

DESIGN AND

TECHNOLOGY

We will be learning to join fabrics in different ways and to design and make a hand puppet using our new knowledge and skills.

PE

This term we will be working with JB coaches to develop our fundamental movement skills. This will include, running, jumping, spatial awareness, throwing, catching and kicking.

We will also continue to be active in the classroom to help us on our Pathway to Paris.
